WORKS INFORMATION AND NOTIFICATION LETTER

Highway Maintenance Road Treatment Works: Aylesbury Road, Great Missenden

Transport for Buckinghamshire will be undertaking highway maintenance road treatment works to the carriageway of Aylesbury Road, Great Missenden from approximately 18m east of Robson Court to the A413 junction. This work is being undertaken to improve the condition of the road in order to prolong its life and involves resurfacing works to the carriageway.

The works here are scheduled to commence from the 30th May 2019 and it is anticipated they will take up to 3 days to complete. No work will be carried out over the weekends. Information signs will be erected on site prior to commencement of the works, giving the actual dates and durations. You will appreciate that works of this nature are extremely weather dependant and therefore may be subject to disruption due to inclement weather. If the works are delayed, the advance information signs on site will be updated to reflect any change in dates.

The work will be undertaken using a road closure which will be in operation between 07:00hrs and 17:30hrs each day.

Access will be granted to residents if essential or for emergency reasons, however as I am sure you will appreciate we cannot allow cars to travel over hot material for health and safety reasons. Therefore you may on occasion be asked to park elsewhere and walk to your property if required, and we apologise for any inconvenience this may cause

We will endeavour to keep the noise levels on the site as low as reasonably possible at all times, however due to the nature of these works, noisy activities may occur at times throughout the period and we apologise in advance for this.

Further information about our programme of work can be found on our website at <http://www.buckscc.gov.uk/transport> or alternatively you can call 01296 382416 and one of my colleagues will be able to pass your enquiry through to me.

Yours sincerely
Mary McElhinney
Countywide Schemes Delivery Coordinator
